## *Report on review of condensed interim consolidated financial statements*

To the Shareholders of Al Yusr Leasing and Financing Company  
(A Saudi Closed Joint Stock Company)

### **Introduction**

We have reviewed the accompanying condensed interim consolidated statement of financial position of Al Yusr Leasing and Financing Company (the "Company") and its subsidiary (together the "Group") as of June 30, 2024 and the related condensed interim consolidated statement of profit or loss and other comprehensive income for the three-month and six-month periods then ended and the condensed interim consolidated statements of changes in equity and cash flows for the six-month period then ended and other explanatory notes. The Board of Directors is responsible for the preparation and presentation of these condensed interim consolidated financial statements in accordance with International Accounting Standard 34 - "Interim Financial Reporting" ("IAS 34"), as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these condensed interim consolidated financial statements based on our review.

### **Scope of review**

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", as endorsed in the Kingdom of Saudi Arabia. A review of condensed interim consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing, as endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34, as endorsed in the Kingdom of Saudi Arabia.

**PricewaterhouseCoopers**

**1 Legal status and operations**

Al-Yusr Leasing and Financing Company (the “Company”) is a Saudi Closed Joint Stock Company registered in Riyadh in the Kingdom of Saudi Arabia under commercial registration (“CR”) number 1010192058 issued on Shawal 20, 1424H corresponding to December 14, 2003.

The main activities of the Company are to engage in Islamic finance lease, financing of small and medium-sized enterprises, financing of productive assets and consumer finance under the Saudi Central Bank (“SAMA”) license No. (10/AO/201403) issued on Rabi’ al-Thani 27, 1435H corresponding to February 28, 2014.

The Company’s Head Office is located at the following address;

Salah Uddin Ayubi Street, Al Malaz  
 P.O. Box 25773  
 Riyadh 11476  
 Kingdom of Saudi Arabia

On Shawwal 26, 1444H (corresponding to May 16, 2023) the Company incorporated its subsidiary, Manasat Alraqamiah for Information Technology Company (“the Subsidiary”), a limited liability Company registered in Riyadh with CR number 1010881199. The Subsidiary is owned 100% by the Company.

The Subsidiary is licensed to involve in

- wholesale, retail trade and repair of motor vehicles and motorcycles and
- information and communications.

These condensed interim consolidated financial statements comprise the condensed interim financial statements of the Company along with its branches and its Subsidiary (collectively referred to as “the Group”).

These condensed interim consolidated financial statements were authorised for issue by the Group’s Board of Directors on **July 28, 2024**.

The Group has the following active branches and the results thereof are included in these condensed interim consolidated financial statements:

<b>Branch name</b>	<b>CR. No.</b>	<b>Date of issuance</b>	<b>Status of branches as at</b>

**(UNAUDITED)**  
**FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED JUNE 30, 2024**  
(All amounts in Saudi Riyals unless otherwise stated)

---

**2 Basis of preparation**

**2.1 Statement of compliance**

These condensed interim consolidated financial statements of the Group as at and for the three-month and six-month periods ended June 30, 2024 have been prepared in accordance with the International Accounting Standard 34 “Interim Financial Reporting” (“IAS-34”), as endorsed in the Kingdom of Saudi Arabia (“KSA”) and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) (collectively referred to as “IAS-34 as endorsed in KSA”).

The condensed interim consolidated statement of financial position is stated in order of liquidity.

These condensed interim consolidated financial statements do not include all the notes, information and disclosures of the type normally required and included in the annual audited consolidated financial statements. Accordingly, these condensed interim consolidated financial statements are to be read in conjunction with the annual audited consolidated financial statements for the year ended December 31, 2023.

The results of operations for the interim period reported are not necessarily indicative of results expected for the year ending December 31, 2024.

**2.2 Basis of measurement**

These condensed interim consolidated financial statements have been prepared on a historical cost basis, except for the following:

- Investment properties and investment in equity instruments carried at fair value through other comprehensive income – measured at fair value,
- Assets held for sale – measured at the lower of carrying amount and fair value less costs to sell, and
- Employees' end of service benefits - measured using Projected Unit Credit Method under IAS-19.

**2.3 Functional and presentation currency**

These condensed interim consolidated financial statements are presented in Saudi Riyal (“SR”) which is the Group's functional and presentation currency. All financial information presented in Saudi Riyals has been rounded to the nearest Saudi Riyal, unless otherwise mentioned.

**2.4 Going concern**

The Group has performed its assessment on its ability to continue as going concern, concluding that it will continue its operations for the foreseeable future and be able to meet its obligations as they become due. As part of its periodic assessment, the Group focuses on its core business, i.e. investment in Islamic financings, in particular on its non-performing receivables.

The management has undertaken various measures and specific actions with respect to its receivables, including repossession of vehicles, legal actions to liquidate collaterals and rescheduling of certain financing exposures, in order to improve the recoverability cycle of those receivables. In addition, management has established a centralised collection center with dedicated team duly serviced by an automated collection system.

With regards to its funding capacity, the management continues to focus on improving its cash flows and diversification of its funding sources to ensure sufficient liquidity is available to support its future plans.

Based on the above analysis and assessment, the Group's management is satisfied that it has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt on the Group's ability to continue as a going concern. Therefore, the condensed interim consolidated financial statements continue to be prepared on a going concern basis.

---

**3 Consistent application of accounting policies**

The accounting policies and methods used in the preparation of these condensed interim consolidated financial statements are consistent with those used in the preparation of the annual audited consolidated financial statements for the year ended December 31, 2023 except for:

- the new accounting policies introduced as adoption of the following amendments to IFRS explained below which became applicable for annual reporting periods commencing on or after January 1, 2024. The management has assessed that the below amendments have no significant impact on the Group's condensed interim consolidated financial statements.

**New standards, interpretations and amendments adopted by the Group**

The following standards and interpretations apply for the first time to financial reporting periods commencing on or after January 1, 2024:

<b>Standards, interpretations or amendments</b>	<b>Description</b>	<b>Effective date</b>
Amendment to IFRS 16 – Leases on sale and leaseback	These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted.	Annual periods beginning on or after January 1, 2024
Amendments to IAS 7 and IFRS 7 on Supplier finance arrangements	These amendments require disclosures to enhance the transparency of supplier finance arrangements and their effects on a Group's liabilities, cash flows and exposure to liquidity risk. The disclosure requirements are the IASB's response to investors' concerns that some companies' supplier finance arrangements are not sufficiently visible, hindering investors' analysis.	Annual periods beginning on or after January 1, 2024.
Amendment to IAS 1 – Non-current liabilities with covenants	These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions.	Annual periods beginning on or after January 1, 2024.

**AL YUSR LEASING AND FINANCING COMPANY**  
**(A Saudi Closed Joint Stock Company)**  
**NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS**  
**(UNAUDITED)**  
**FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED JUNE 30, 2024**  
 (All amounts in Saudi Riyals unless otherwise stated)

---

**3 Consistent application of accounting policies** (continued)

**New standards, interpretations and amendments issued but not yet effective**

The following standards and interpretations had been issued but were not mandatory for annual reporting periods commencing on or after January 1, 2024.

<b>Standards, interpretations, amendments</b>	<b>Description</b>	<b>Effective date</b>
Amendment to IFRS 21 – Lack of exchangeability	An entity is impacted by the amendments when it has a transaction or an operation in a foreign currency that is not exchangeable into another currency at a measurement date for a specified purpose. A currency is exchangeable when there is an ability to obtain the other currency (with a normal administrative delay), and the transaction would take place through a market or exchange mechanism that creates enforceable rights and obligations	January 1, 2025
Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Sale or contribution of Assets between an Investor and its Associate or Joint Ventures.	Available for optional adoption/effective date deferred indefinitely
IFRS 18 – Presentation and disclosure in financial statements	IFRS 18 will replace IAS 1; many of the other existing principles in IAS 1 are retained, with limited changes. IFRS 18 will not impact the recognition or measurement of items in the financial statements, but it might change what an entity reports as its 'operating profit or loss'.  IFRS 18 will apply for reporting periods beginning on or after 1 January 2027 and also applies to comparative information. The changes in presentation and disclosure required by IFRS 18 might require system and process changes for many entities.	January 1, 2027
IFRS 19 - Reducing subsidiaries' disclosures	IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability and its parent produces consolidated financial statements under IFRS Accounting Standards.	January 1, 2027

The Group's management has not opted for earlier adoption of any of the above-mentioned standards, interpretations and amendments issued but not yet effective. Based on the management's best estimates and judgement, the Group does not foresee any significant changes in its accounting policies or significant retrospective adjustments as a result of adopting these amendments or new standards.

**4 Critical accounting judgments, estimates and assumptions**

The preparation of these condensed interim consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income, and expense. The actual results may differ from these estimates. It also requires management to exercise its judgment in the process of applying the Group's accounting policies. Such judgements, estimates and assumptions are continually evaluated and are based on historical experience and other factors, including obtaining professional advice and expectations of future events that are believed to be reasonable under the circumstances. The interim results may not represent a fully accurate indication of the annual results of operations. In preparing these condensed interim consolidated financial statements, the significant judgments made by management in applying the accounting policies and the key sources of estimation uncertainty were the same as those that were applied to the audited consolidated financial statements as at and for the year ended December 31, 2023.

**4 Critical accounting judgments, estimates and assumptions (continued)**

**Derecognition of financial assets**

For transactions that qualify for derecognition of financial assets, management assesses the contractual terms of the agreement to determine whether the transaction meets derecognition criteria under IFRS 9. The Group derecognises the financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does not retain control of the financial asset or in case of partial derecognition where it retains control of the financial asset and accounts for its continuing involvement in the derecognised financial asset. The management exerts judgment in assessing the above derecognition criteria.

**7.2.1 Portfolio sold to Parent Company**

On February 4, 2024, the Group entered into agreement with Parent Company to sell the investment in Islamic financings portfolio amounting to SR 120.4 million (gross Islamic financing receivables amounting to SR 239.4 million less portfolio written off SR 39.4 million less ECL provision amounting to SR 79.6 million) for consideration of SR 120.4 million. As per the agreement, Parent Company is required to settle the purchase consideration of SR 120.4 million over sixteen semi-annual installments starting from July 2024 over a period of eight years at initial preferred profit rate of 0.75% per annum which was ultimately agreed at 7% per annum pursuant negotiation between the Group and its Parent Company.

**8.5 Write-offs**

The Group writes off a financial asset when it has no reasonable expectations of recovering such financial asset in its entirety or a portion thereof. However, financial assets that are written off are still subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

During the period, the board of directors has approved the write-off of investment in Islamic financings amounting to SR 117 million (six-month period ended June 30, 2023: SR 30.98 million).

**8.6 ECL allowance on investment in Islamic financings during the period, net**

	<b>For the six-month period ended June 30, 2024</b>	<b>For the six-month period ended June 30, 2023</b>

Charge for / (reversal of) ECL allowance	(64,527,511)	2,455,740

**8.7 Assignment of Islamic financing receivables**

The Group assigned Islamic financing receivables amounting to SR 1,957 million as of June 30, 2024 (December 31, 2023: SR 1,958 million) to local commercial banks for obtaining Islamic bank financing. These Islamic financing receivables have not been derecognised from the condensed interim statement of financial position as the Group retains substantially all the risks and rewards, primarily credit risk. The Group is liable for the repayments of its assigned receivables to local commercial banks in case of customers' default in accordance with the terms of the agreement. The amount received on assignment of Islamic financing receivables has been recognized as Islamic bank financing in the condensed interim statement of financial position.

Pursuant to the terms of the transfer agreement, the Group is not allowed to repledge those receivables and the financial institution has recourse only to the receivables in the event the Group defaults on its obligation. The carrying value of these receivables and its related liabilities ("the related liabilities") approximate their fair value.

 (All amounts in Saudi Riyals unless otherwise stated)

**8 Investment in Islamic financings, net** (continued)

**8.8 Changes in assumptions including incorporation of forward-looking information**

The Group incorporates forward-looking information into both its assessment of whether the credit risk of an instrument has increased significantly since its initial recognition and its measurement of ECL. The Group has used GDP and Crude Oil growth rates as key macroeconomic factors giving a weight of 42% to GDP growth rate and 58% to Crude Oil growth rate factors. The macroeconomic factors have been updated based on the latest available information (as issued by IMF April'24 forecasts), where the average GDP and Crude Oil growth rates for the next three years are expected to be 0.78% and -2.07% respectively. The Group has incorporated the forecasts from IMF which are representatives of the current and projected macro-economic outlook.

Further, the Group has also considered different scenarios with the different weightage for macroeconomic scenarios as adopted by SAMA for IFRS9 ECL computation, where scenario weightages of 40% to Baseline scenario, 30% to upturn scenario and 30% to downturn scenario were considered.

Sensitivity analysis:

The increase or decrease of 10% change in macroeconomic factors will result in decrease of SR 2.3 million (June 30, 2023: SR 7.23 million) or increase of SR 33.56 million (June 30, 2023: SR 10.64 million) in the ECL provision, respectively.

The increase or decrease of 10% change in loss rates (PDs and LGDs) assuming macroeconomic factors remain the same will result in increase of SR 15.01 million (June 30, 2023: SR 29.27 million) or a decrease of SR 14.43 million (June 30, 2023: SR 28.12 million) in the ECL provision, respectively.

**9 Investment in equity instruments carried at FVOCI**

**9.1** During 2017, in accordance with instructions issued by Saudi Central Bank (“SAMA”), the Group has made an investment of SR 892,875 in 89,288 shares of Saudi Financial Lease Contract Registry Group (SIJIL) at the rate of SR 10 per share. This investment is not held for trading. Instead, it is held for the medium to long-term purposes. Accordingly, the Group has elected to designate this investment in equity instruments as at FVOCI.

**9.2** On August 8, 2023, the Subsidiary of the Group entered into an agreement with HyperPay Inc. to subscribe 10,294 preferred A shares against consideration of USD 3,500,000 (equivalent SR 13,125,000). On same date, the Subsidiary of the Group entered into shares sale and purchase agreement with the following parties as follows:

Name of seller	No of shares		Purchase consideration	
	Preferred A	Common	USD	SR
HyperPay Inc.	1,167	-	338,430	1,269,112
Abdulrahman Abdulaziz Alali	1,056	-	306,240	1,148,400
ACP Investments 1 LP	3,542	319	1,119,690	4,198,838
Integrated Networks Company	4,804	1,181	1,735,650	6,508,688
	<b>10,569</b>	<b>1,500</b>	<b>3,500,010</b>	<b>13,125,038</b>

On December 31, 2023, the Subsidiary purchased 5,675 preferred A shares amounting to USD 1.67 million (SR equivalent: 6.5 million) from HyperPay Inc., Abdulrahman Abdulaziz Alali and made a partial purchase from ACP Investment 1 LP. During current period, the Subsidiary has acquired the remaining preferred A and common shares from all the parties at agreed price.

**9 Investment in equity instruments carried at FVOCI** (continued)

This investment is not held for trading, instead, it is held for the medium to long-term purposes. Accordingly, the Group has elected to designate this investment in equity instruments as at FVOCI. During the period, the Group recognized the gain of SR 1 million in other comprehensive income.

**9.3** The Subsidiary of the Group entered into an agreement with Car Switch Ltd. to subscribe 165 Series B preferred shares against consideration of USD 500,000 (equivalent to SR 1,875,000), the shares were purchased in February 19, 2024. This investment is not held for trading, instead, it is held for the medium to long-term purposes. Accordingly, the Group has elected to designate this investment in equity instruments as at FVOCI.

**10 Zakat payable**

	As at June 30, 2024	As at December 31, 2023
	Unaudited	Audited

Balance at the end of the period / year	<b>15,301,665</b>	23,693,039

**10.1 Status of zakat assessments**

The Zakat, Tax and Customs Authority (“ZATCA”) has finalised the assessments for the years till 2013, and there are no outstanding zakat dues. In 2018, the Group received zakat assessments from ZATCA for the years 2014 to 2017, claiming zakat differences totaling SR 170.45 million as compared to zakat paid for those years.

The Group objected to those assessments and filed an appeal letter in due time. Early 2019, the Group has entered into a settlement agreement with ZATCA whereby ZATCA has reduced the assessed zakat liability for 2013 until 2017 (as mentioned above) to SR 41.6 million. This amount, as per settlement agreement, is agreed to be paid in installments with 1st installment, being 20% of the above agreed amount due within 5 days of the settlement agreement while rest of the amount is payable in 5 equals annually installments. All the amounts have been paid by February 27, 2024.

The Group has filed the Zakat return with ZATCA for the year ended December 31, 2023 on April 29, 2024.

**11 Borrowings**

	As at June 30, 2024	As at December 31, 2023
	Unaudited	Audited

**11 Borrowings** (continued)

During the period, the Group received new loan of SR 214 million from SNB Capital Company ("SNBC") where the Group assigned certain receivables of SR 199.21 million (SR 289.4 million inclusive of future profit receivables) to SNBC.

The Group is required to maintain margin deposits (as disclosed in note 6). The cash cannot be withdrawn or used by the Group for liquidity purposes whilst the borrowing is still outstanding.

**11.1 Breach of covenants**

The facility agreements include covenants which, among other things, require the Group to maintain certain financial ratios. The Group is in breach of the net worth covenant during the current period with one bank (December 31, 2023: one Bank) for which a waiver was obtained prior to the year ended December 31, 2023 and it is still valid till December 24, 2024.

**14.1** During the period, the Group settled a legal case which resulted in a reversal of legal expenses by SR 2.3 million.

**15 Contingency and commitments**

**Contingency**

The Group has certain legal cases pending in courts against it. However, based on management's best estimate, the recorded provision of SR 4.5 million as at June 30, 2024 (December 31, 2023: SR 11.3 million) is sufficient to cover any future liabilities that might result for the legal cases.

**Capital commitments**

The Group has commitments for short term leases amounts to SR 2.8 million as at June 30, 2024 (December 31, 2023: SR 3.1 million). There are no other significant capital commitments at the condensed interim consolidated statement of financial position date.

**16 Fair value of financial instruments**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability the principal or the most advantageous market must be accessible to the Group.

Financial instruments comprise financial assets and financial liabilities.

**AL YUSR LEASING AND FINANCING COMPANY**  
**(A Saudi Closed Joint Stock Company)**  
**NOTES TO THE CONDENSED INTERIM CONSOLIDATED FINANCIAL STATEMENTS**  
**(UNAUDITED)**  
**FOR THE THREE-MONTH AND SIX-MONTH PERIODS ENDED JUNE 30, 2024**  
 (All amounts in Saudi Riyals unless otherwise stated)

---

**16 Fair value of financial instruments** (continued)

Financial assets consist of cash at banks, short term deposit, investment in Islamic financings, due from related parties, investment in equity instruments and other receivables. Financial liabilities consist of account payables, borrowings, due to related parties and other payables. Fair value of all financial assets and financial liabilities that are measured at amortised cost approximate their fair value.

For financial assets and financial liabilities that are recognised in the condensed interim consolidated financial statements on a recurring basis, the Group determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

**Fair value hierarchy**

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows the carrying amount and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

	Carrying value	Fair value

**16.1** The Group measures certain equity investments at fair value. These investments are classified within Level 3 of the fair value hierarchy due to the use of significant unobservable inputs in the valuation process.

**Valuation technique and significant unobservable inputs**

The fair value of Level 3 equity investments is determined using the following valuation techniques and significant unobservable inputs:

**Discounted Cash Flow (DCF) Method:** The DCF method involves projecting the expected future cash flows of the investee and discounting them to present value using a discount rate that reflects the risks associated with the investment.

**Key Inputs in DCF Method:**

Projected cash flows are estimated based on historical performance and management's expectations of market conditions, discount rate which reflects the cost of capital and specific risks related to the investee, and terminal growth rate which reflects long-term growth expectations beyond the forecast period.

**Market Multiples Method:** This method involves applying multiples derived from comparable market transactions to the investee's financial metrics.

**Key Inputs in Market Multiple Method:**

Comparable multiples: Companies are selected based on industry and market data.

**Unobservable Inputs**

The unobservable inputs used in the valuation of Level 3 equity investments include the discount rate, terminal growth rate, discounted cash flows and market multiples. These inputs are based on management's best estimates and are subject to change based on evolving market conditions and specific investee circumstances.
